Potomac Town Center: Upscale and Growing Fast

Stonebridge and the Potomac Town Center are growing by leaps and bounds bring new stores, restaurants, and businesses to the Neabsco Mills area.

Give it a year or so and the Woodbridge, Virginia area will have some serious additions to our restaurant and shopping venues.

We knew P.F. Chang's China Bistro was coming to town (love their take on Chinese favorites) but a Travinia this year and a Brixx? The only other VA store is in Charlottesville!

As for retailers, Stonebridge recently added a Joseph A Bank clothiers, a Gymboree Store and soon we'll have our very own Coldwater Creek.

It would seem that country is coming to town! Are you ready for some country music at **Toby Keith's Bar and Grill?**

Phase 1 of the development opened with a **Wegman's** market as the huge 60 thousand square foot anchor store. "Town Center" is attracting more and more upscale businesses to the **Stonebridge** development. They include AT and T, dental services, beauty shops, and more.

REI:

REI will at Stonebridge at Potomac Town Center in 2012. Calling all hikers - including those in our family who hike the trails of Prince William Forest Park or South Quantico Creek. No more driving north to Rockville to purchase your hiking and camping gear.

Wegman's Market:

What can I say? When on the lookout for special recipe ingredients, an expansive wine selection, the cheese shop, special cuts of meat, the freshest fish, a quick bite at the Market Cafe, the Sushi Bar, the Seafood Bar or just a cappucino at the Coffee Bar, Wegman's is the go-to market.

Let's not forget the pizza and salad counters and the deli sections. Oh...did I forget to mention the actual grocery store?

Restaurants

Zoë's Kitchen:

Do you need a quick meal? Walk in to Zoë's where the food is good! Have you had lunch or dinner there? Be sure to add your review to our website. My particular favorite is the orzo salad but the sandwiches are all tasty.

Where are they located? 14901 Potomac Town Place, Suite 100, Woodbridge, VA 22193, right across Wegman's side entrance. You cannot miss it with the large orange canopies and the sidewalk eating area.

The telephone number is 703-580-4408 and the fax is 703-580-4482.

When are they open? Sunday through Thursday, Zoe's is open from 11am to 9pm. Friday and Saturday, they are open from 11am to 9:30pm.

Toby Keith's I Love This Bar and Grill:

Imagine this...a restaurant that offers great food *and* live music. A quick look at their menu and you'll be waiting in line along with quite a few other patrons. Coming soon...

NEW - A Firebirds Wood Fired Grill is set to open at Potomac Town Center. No date has been given for the opening of this cozy restaurant but the taste buds are going wild already at the thought of herb roasted prime rib, grilled steaks and burgers supreme.

Travinia Italian Kitchen:

Just plain scrumptious food...Woodbridge, Virginia is already listed on their website as opening in 2011. It is home to fresh pasta, incredible soups, the best "white" pizza, tangy chicken piccata, seafood linguine and veal saltimbocca. They will be open for lunch and dinner. You guessed it. We love Italian food done well and we're officially hungry!

Brixx:

More pizza...we counted more than a dozen different wood fired pizza selections on their menu and that does not even include the salads, sandwiches, and pastas.

PF Chang China Bistro:

Technically you can re-create the P.F. Chang menu at home but really? Would you? It always tastes better when someone else prepares the dishes. Fini going to Arlington, Fairfax or McLean or even Rockville, MD for lettuce wraps and dynamite shrimp.

Retailers

Quinn's Goldsmith:

Already a fixture in Occoquan, Quinn's is opening their second store just in time for Valentine's Day 2011. In fact, they are opening on February 10th. Their location? 14901 Potomac Town Center, Woodbridge, Virginia. The Grand Opening will be March 5th.

Coldwater Creek:

Forget the catalog...we're shopping at the store!

Currently, the closest Coldwater Creek retailers are located in Fairfax, and McLean. There is a store in Fredericksburg but it is actually closer to visit the store in Maryland than it is to drive the thirty miles south to the Spotsylvania Towne Centre shops.

Wondering if they consider Potomac Town Center to be a "lifestyle center"?

Coming soon to the Town Center:

Have your passport? Yes indeed...there once was a Chico's Outlet at Potomac Mills Mall but now we get a **Chico's** store!

What can we say? Stay tuned for more to come to the Woodbridge, Virginia retail and restaurant scene and Potomac Town Center.
