REI coming to Potomac Town Center

National outdoor retail chain REI will be coming to Woodbridge in the spring of 2012.

REI will be opening a 25,000-square-foot, two-level facility at Stonebridge at Potomac Town Center, said Roadside Development representative Jeff Edelstein.

Headquartered in Washington state, REI has more than 100 locations in 27 states, including one in Bailey's Crossroads and one in Fairfax.

Edelstein called REI "a phenomenal outdoor retailer."

Also signing leases at the center off Optiz Boulevard are women's fashion and accessory retailer Charming Charlie and Northern Virginia-based Sport & Health Club. Both are scheduled to open in the spring of 2012, as well.

The Sport & Health Club will be a two-level 42,000-square foot facility and along with REI, will occupy the corner of the shopping center closest to the intersection of Neabsco Road and Dale Boulevard.

Charming Charlie, which has locations in 23 states including Fairfax and National Harbor in Prince Georges, Md., will be located in the center.

In October, PF Chang's China Bistro, Travinia Italian Kitchen, Coldwater Creek and Toby Keith's I Love This Bar & Grill announced plans to open at Stonebridge by 2012.

Occoquan-based jeweler Quinn's Goldsmith and North Carolina-based pizzeria Brixx Woodfired Pizza should be open by next spring.

Stonebridge is anchored by Wegmans grocery store, which opened in 2008.
